If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6: Uniform Rate of Assessment. Both annual and special assessment must be fixed at uniform rates for all lots, except as provided in Section 3 above, and may be collected on a monthly, quarterly, semi-annual, or annual basis.

Section 7: Date of Commencement of Annual Assessments – Due Dates. The commencement date of the annual assessment for all Lots located in individual phases provided for herein shall be set at the discretion of the Declarant at any time after the sale of the first Lot by Declarant. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed Certificate of the Association as to the status of assessments of a Lot is binding upon the Association as of the date of its issuance.

Section 8: Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment not paid within fifteen (15) days after the due date shall bear interest from the due date at the rate of eighteen (18%) percent per annum. The Association may record a Claim of Lien to evidence in the public records and to secure the unpaid assessments in the event assessments are not paid and are in default. The Association may bring an action at law and/or in equity against the Owner or Owners, past or present, personally obligated to pay the same and/or foreclose the Claim of Lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of such Owner's Lot.

Section 9: Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage, except as to first mortgages recorded after the recording of a Claim of Lien by the Association. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10: Reimbursement to Developer. The Association shall repay the Developer for the costs of improvements to the Common Areas and/or Lots not otherwise required by the Land Development Permit for the completion of the Development. Failure by the Association, the Declarant, or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
