

GHO

CONNECTIVITY

With GHO Connectivity, your new home will be delivered equipped with WiFi-accessible features that help manage your home and ensure it's security whether you are home or away from home.

Nest Thermostat

Connect to your phone and adjust and monitor the temperature, program a schedule for temperature changes and easily see information about your air conditioner's usage and more.

SIMPLE • SECURE • WIRELESS

NEST Hello

Connected through the same phone application as your nest thermostat, Nest Hello is your video doorbell. HD video and bright, crisp images streaming 24/7 to see who is at your door - with a full head-to-toe view.

Schlage Smart Lock

Did you remember to lock to the door? Do you need to let a neighbor in to water your plants? Did you forget your key? No problem, use your Smart Door access to check your lock - or lock/unlock your home.

Rain Bird WaterSense Irrigation Control

Your lawn only gets watered when it needs to be with Weather-Sensing Irrigation and remote access monitoring. (Not provided in communities with master irrigation systems).

Liftmaster Smart Garage Door

A smart garage door will provide you peace of mind if you are second guessing yourself on a busy morning - and ease of access when you need it.

GHO HOMES

A GREEN BRICK PARTNER

GHO HOMES is an Equal Housing Opportunity Builder. A GHO is equipped with technology that includes the following products identified above, or equal; subject to GHO's review and discretion. GHO Homes reserves the right, without prior notice, to substitute other products for those listed above. Other Smart Home technology features may be offered for an additional charge. For Smart Home technology included in the home to work, homeowners must obtain and pay for their own Internet service and may need to purchase compatible devices and to maintain accounts with third parties for the services. In addition, the homeowner will need to set up and connect the device to the working internet connection and ultimately the internet at large or hire someone at their cost to do so. GHO Staff and subcontractors will not set up these individual devices. GHO Homes makes no representation or warranty that any or all of the Smart Home technology is secure, will meet any homeowner needs or will provide any level of physical or cyber security for the home - even if the technology is working as intended. All photos and drawings are for illustration purposes only. See a GHO Homes sales agent for complete information. All other trademarks shown are the property of their respective owners.
